1. Website

Annette will send photos and information on classes to Nicky.

It was reiterated that Xie will be in charge of the website in case Nicky leaves the club or any changes need to be made. Nicky and Xie need to set up a meeting once the website is up and running so that Nicky can show Xie what to do.

On the agility page, it was agreed to just put "equipment provided for fun exercises."

Edi has some photos of the agility equipment and the club rooms to send to Annette.

Mary was ok with having a registration form that people can fill out online to go to her email. Registration will not be confirmed until the person actually comes to the club.

Nicky and Simon have agreed to write testimonials for the website however it may be nice to get some more if possible.

It has been agreed that Nicky has one free course due to her help with the website. This was done today.

Meeting adjourned 12.10pm
