Ribbon Trial

All is in hand for the Ribbon Trial to be held on Saturday 9 September.

New Trainer

Nicky advised she has been approached by current member Margaret Harrop who would like to become more involved with the club and train as a trainer. She is away all of September and would be ready to start in October. It was agreed that she should train under Gail. Nicky will confirm to Margaret.

Photography

Karen Stevens asked if it would be possible for her son (who is studying photography) to take photos of dogs at our upcoming ribbon trial and where any photos were purchased provide a share back to the club.

As we already have a photographer arranged for the event (Lydia) and because external competitors would be present it was agreed it would be better to decline the offer.

We have instead agreed that can offer Club Day as an opportunity for Karen's son. This will provide plenty of time to obtain details and ensure our members are informed and know they are under no obligation to agree to being photographed or to purchase a print. Nicky will advise Karen.
