

GRADE 2 – Lesson 4

What we will do today

1. Weave and leave
2. Sit stay 1 minute
3. Down stay 1 minute
4. Down stay with distractions
5. Recall short
6. Loose leash walking – about turns and left turns and right turns
7. Swap with another dog and do the same
8. Collar grab and walk three paces
9. Mexican wave – sits and downs
10. Through exercises/over exercises
11. Time to shine (show me a trick and teach it to the group)

Remember

1. Always bring your Ps and Cs
2. Start your exercise with a focus
3. Reward your dog with an IMMEDIATE yes! And a reward – treat, praise
4. Be consistent and have everyone at home be consistent

Quiz (one quiz question between each exercise) You will have to answer 5 correctly out of ten to pass grade 1

1. At what age must your dog be registered and microchipped (3 months)
2. What 3 things must you have with you when out and about (leash, registration, poo bags)
3. What 5 things must you provide for your dog – food, water, shelter, exercise, care and attention (s 5 DCA)
4. What 5 things must you check regularly and provide for, for your dog's care?
Claws need clipping, worming, flea treatment, vaccination, grooming
5. If you are not in control of your dog, what can a dog Control Officer do?
Fine, prosecute, seize dog, impound dog, destroy dog (s5 DCA)
6. When can ANY one seize or destroy a dog?
If that person witnesses the dog attacking a person or other animals (s57(1) DCA)
